Information for Patients and Families

The American Association for Pediatric Ophthalmology and Strabismus (AAPOS) is a national and international organization of medical doctors (MDs), who completed specialized training in the medical and surgical treatments of all pediatric ophthalmologic diseases and adults with eye misalignment.

The organization's goals are to advance the quality of children's eye care, support the training of pediatric ophthalmologists, support research activities in pediatric ophthalmology, and advance the care of adults with strabismus.

Information concerning pediatric eye problems and adult strabismus can be obtained by visiting the official website at: [http://www.aapos.org/terms](http://www.aapos.org/terms).

Topics

- Abnormal Head Positions
- Accommodative Esotropia
- Achromatopsia
- Adjustable Sutures in Strabismus Surgery
- Adult Strabismus
- Albinism
- Allergic Conjunctivitis
- Amblyopia
- Anatomy
- Anesthesia for Adults Having Eye Surgery
- Anesthesia for Children Having Eye Surgery
- Aniridia
- Anisocoria and Horner's Syndrome
- Anisometropia
- Blepharitis
- Blowout Fracture
- Brown Syndrome
- Capillary Hemangioma
- Cataract
- Cellulitis
- Chalazion
- Coats Disease
- Coloboma
- Color Blindness
- Conjunctivitis
- Convergence Insufficiency
- Corneal Abrasions
- Cortical Visual Impairment
- Cranial Nerve Palsy
- Dermoid Cyst
- Diabetes Mellitus and Diabetic Retinopathy
- Dilating Eye Drops
- Dissociated Vertical Deviation
- Down Syndrome
- Duane Syndrome
- Endophthalmitis
- Enucleation
- Esotropia
- Excessive Blinking in Children
- Exotropia
- Eye Safety
- Fetal Alcohol Syndrome
- Fourth Nerve Palsy
- Glasses Fitting for Children
- Glasses for Children
- Glaucoma in Children
- Headaches in Children
- Herpes Eye Disease
- Hyphema
- Idiopathic Intracranial Hypertension
- Infantile Esotropia
- Intraocular Lens Implant (IOL)
- Iritis
- Juvenile Idiopathic Arthritis
- Keratoconus
- Learning Disabilities
- Leber's Congenital Amaurosis
- Leukocoria
- Marfan Syndrome
- Meibomian Gland Dysfunction and Treatment
- Molluscum Contagiosum
- Monocular Elevation Deficiency/ Double Elevator Palsy
- Myasthenia Gravis
- Nasolacrimal Duct Obstruction
- Neurofibromatosis
- Nystagmus
- Oculomotor Apraxia
- Ocular Injury
- Optic Nerve Atrophy
- Optic Nerve Drusen
- Optic Nerve Hypoplasia
- Optic Neuritis
- Patching Tips for Parents
- Pediatric Low Vision
- Pediatric Ocular Trauma
- Pediatric Ophthalmologist Photoscreening
- Pseudostrabismus
- Pterygium
- Ptosis
- Refractive Errors
- Retinitis Pigmentosa
- Retinoblastoma
- Retinopathy of Prematurity (ROP)
- Retinoscopy
- Rubinstein-Taybi Syndrome
- Shaken Baby Syndrome
- Sixth Nerve Palsy
- Stickler Syndrome
- Strabismus
